To my UCC Church Family,

Shortly after visiting different Disciples of Christ Churches in fall 2005 UCC became my home. I became a Chi Rho Youth Sponsor and a choir member working with Ron Shirey January 2006. During summer 2008 I was one of the summer youth interns at UCC. The internship blossomed into continuing the youth internship to focus on Chi Rho youth ministry. Since that time I have had the opportunity to plan and attend multiple mission trips, retreats, camps, lock-ins, and other special events. Singing with the choir in worship and varying performances has also been a huge part of my life these past five years. Because of all of these experiences I am blessed to have found such a place as UCC.

I feel called to make a change in my life. Part of that call is to resign from my position as Assistant Minister to Chi Rho. My last Sunday will be August 8th and my last office day will be Wednesday August 11.

Thank you. Thank you for the experiences I have had while working and volunteering here. Thank you for your trust and love as I explored my gifts in ministry with youth, music, and the arts. Thank you for continued prayers as I continue to discern where God continues to call me during my life.

Thank you for the time I have had here in ministry.

Very truly yours,

Anna Ross
